IN RE: TESTOSTERONE : MDL No. 2545  
REPLACEMENT THERAPY :  
PRODUCTS LIABILITY LITIGATION :  

---

**CASE MANAGEMENT ORDER NO. 92**  
**(settlement of Eli Lilly cases)**

On today's date, December 21, 2017, the Court has been advised by counsel for plaintiffs and counsel for defendant, Eli Lilly and Company, that they have reached a global settlement, including all filed cases. The parties have entered into a Memorandum of Understanding. Based on this report, the Court directs that all proceedings involving plaintiffs and Eli Lilly will be stayed for a period of 45 days so that the parties may devote their efforts to finalizing a Master Settlement Agreement. The parties are directed to report on a regular basis to Special Master Randi Ellis regarding their progress. These parties are relieved from any pretrial and trial deadlines relating to Eli Lilly cases. The two Eli Lilly-only bellwether trial dates (January 29, 2018 and March 5, 2018) are vacated, but the Court reserves the right to set other non-Eli Lilly cases for trial on either or both of those dates.

SO ORDERED
